ANNEXURE-III

TO THE DIRECTORS' REPORT

Replies of the Management on the comments of C&AG of India on the account of for the year 2015-16

Para	Audit Comments	Management Reply
A.	Comments on profitability Statement of Profit and Loss	
(I)	Expenditure Cost of Material & Labour: Rs.260.55 crore (Note 13)	
	(a) The above did not include Rs.5.77 crore being the expected loss as on 31st March 2016 on 92 ongoing projects, where the total estimated contract cost exceeded total contract revenue. The excess of contract cost over total contract revenue should have been recognized as expenses immediately as per provisions of Paragraph 35 of AS-7. This resulted in understatement of expenditure and overstatement of Profit for the year by Rs. 5.77 crore.	Anticipated loss of Rs.5.77 crore as reported is on account of tender premium in case of F-2 contracts. As per order dt.06.08.13 of Home Dept., Govt. of Odisha, tender premiums are committed liabilities of user depts. and they are liable to reimburse the premium amount. Corporation has taken up the matter with user departments for revised administrative approval towards increase of expenditure on these projects. Therefore, anticipated losses against these projects have not been accounted for as there is a firm commitment by user dept. as per aforesaid Home Dept. order.
B.	Comments on Financial Position BALANCE SHEET	
(I)	Current Liabilities Short Term Provisions :Rs. 15.54 crore (Note-6)	
	(a) The above is understated by Rs. 1.39 crore due to non-accounting of cost of electrical goods received during 2015-16 for which bills were received during 2015-16 and payment was made during April 2016 and May 2016. This resulted in understatement of Current Assets-Works-in-progress by equal amount. Besides, expenditure for the year was understated by Rs.1.39 crore with corresponding overstatement of profit for the year to the same extent.	Out of Rs.1.39 crore, materials worth of Rs.0.22 crore has been received subsequent to 31.03.16 and the balance material worth of Rs.1.17 crore have been received on last day of the financial year, i.e., on 31.03.16. These materials have been accounted for during the financial year 2016-17. These are mostly in respect of on-going projects and therefore, there will not be any material financial impact on the profitability for the financial year 2015-16.

Para	Audit Comments	Management Reply
	(b) The above did not include Rs.2.03 crore being the value of work done by job contractors and cost of materials supplied and utilized in the works up to March 2016, which were duly measured, check measured, bills received and passed by Competent Authorities (Joint Managers), but were not paid due to want of funds. This resulted in understatement of short term provision by Rs. 2.03 crore with corresponding understatement of Current Assets-Works-in-progress to the same extent. Besides, expenditure was also understated by Rs.2.03 crore with corresponding overstatement of profit by Rs. 2.03 crore.	These expenditures amounting to Rs.2.03 crore are over and above the work order value of various projects, which are mainly due to increase in SOR. Revised estimates of these projects have been sent to the user depts. for sanction of revised Administrative Approval(AA). These additional expenditures will be accounted for once the revised AAs are received from user depts.
	(c) The above did not include Rs.1.91 crore being the cost of projects executed on fourteen Nabakalebar Projects, at the instruction of the user agency to execute the works in view of urgency, pending administrative approval and release of funds. The projects were completed and handed over during 2015-16, but bills thereof were not paid due to want of funds. However, liability provision was not made in the accounts. This resulted in understatement of Short Term Provision by Rs.1.91 crore with corresponding understatement of Current Assets-Trade receivable. Consequently, expenditure was understated by Rs.2.10 crore and profit for the year was overstated by Rs.2.10 crore.	The excess expenditure of Rs.1.91 crore is incurred on account of additional works in 14 no Nabakalebar projects. Revised estimates of these projects have been sent to the user depts. for sanction of revised Administrative Approval(AA). These additional expenditures will be accounted for once the revised AAs are received from user depts.
(II)	Other current liabilities: Rs.1375.08 (Note 6)	
	(a) This was understated by Rs. 0.43 crore due to non-inclusion of remaining escalation charges of Rs.0.49 crore payable to a contractor on account of 'out of court settlement' (January 2016). This also resulted in overstatement of profit for the year by Rs.0.43 crore.	Due to out of court settlement, the work order value of three projects revised to Rs.2.02 crore an increase of Rs.0.50 crore. As against the revised work order value of Rs.2.02 crore, the contractor has so far executed work worth of Rs.0.74 crore [i.e.,Rs.0.16 crore in FY 2015-16 & Rs.0.58 crore in FY 2016-17 (till 28.12.16)] and accounted for during the respective financial years. Balance amount will be accounted for as and when the contractor executes the work. Revised estimate has been sent to the user dept. for increase of contract value. Therefore, there is no over statement of profit.

Para	Audit Comments	Management Reply
(III)	Current Assets	
	<p>(a) Trade Receivables : Rs.5.16 crore (Note-10)</p> <p>The above did not include Rs.0.17 crore being the short receipt of fund from NRHM on different projects executed and handed over by the company. This resulted in understatement of Trade Receivables by Rs.0.17 crore and understatement of Liability-reserve and surplus by Rs. 0.17 crore.</p>	<p>All NRHM projects have been handed over long ago and we are not taking up any new projects from them. However, NRHM Dept. has been communicated to release the balance outstanding amount. After receipt / confirmation of the outstanding amount, same will be recognized as revenue in the year of receipt/confirmation.</p>
(C)	Comment on Disclosure Notes to the Financial Statements Note 17.6 : Revenue recognition	
	<p>Revenue on ongoing projects though recognized on 'Proportionate completion basis' as required under AS-7, but the same did not depict a correct picture as:</p> <ul style="list-style-type: none"> Project wise expenditure did not show correct picture due to non-accounting of Material Transfer Notes worth (Rs. 3.28 crore) pending with the company as on 31 March 2016. Thus calculation of contract revenue of ongoing projects on percentage of completion basis was deficient to that extent; 	<p>The pending Material Transfer Notes (MT) as reported are four to five years old, therefore, those MTs will not have any financial impact on the Balance Sheet and Profit & Loss Account for the financial year 2015-16. These projects have been closed subsequent to handing over and do not have any closing balance, therefore, any transfer from these project will have negative balance in those project accounts.</p>
	<ul style="list-style-type: none"> Contractors' profit of 7.5 per cent was not deducted from administratively approved cost for projects taken up after October 2013 for projects executed departmentally by the Company, though the same was required as per the instructions (October 2013) of the Administrative Department (Home); 	<p>Contractors' profit of 7.5% is refundable in respect of departmental works only. These profit are subject to adjustment against cost overrun attributable to user depts.</p>
	<ul style="list-style-type: none"> Claims for tender premium was not raised with user agencies though same was to be paid by user agencies as per the Resolution (September 2012) of Government applicable to all construction companies of the State. Besides, instruction (6 August 2013) of Home Department clarified that such tender premium was to be treated as a committed liability user departments; 	<p>Respective user depts. have been communicated towards tender premiums and discounts as per guideline of Home Dept., Govt. of Odisha.</p>

Para	Audit Comments	Management Reply
	<ul style="list-style-type: none"> The fact that the Company is entitled to 10 per cent supervision charges as per MoU signed by the Company with Home Department each year (latest on 10 June 2015) was not disclosed and saving in excess of supervision charges were also treated by the Company as its revenue. This has not been disclosed. During 2015-16, in respect of 544 out of 710 handed over projects, the Company treated the saving of Rs.10.35 crore (Rs. 22.60 crore in excess of 10 per cent supervision charges less Rs. 12.25 crore towards provision for expenditure) as its revenue. The Notes on accounts is deficient to the above extent. 	<p>During the year 2015-16, the revenue for handed over projects is Rs.285.60 crore and cost of handed over projects is Rs.260.54 crore, therefore, the percentage of profit is 8.77% as against estimated profit of 10%.</p> <p>MOU is an understanding between Corporation & Home Dept., Govt. of Odisha and not between the user departments. Revenue can not be recognized on the basis of MOU because it will not be accepted by other Govt. Depts. like Income Tax, Sales Tax, Service Tax Dept. etc. Revenue should be recognized only on the basis of Administrative Approvals given / acknowledged by the user depts. for execution of projects.</p>
(D)	Other Comments Note-17.23-Contigent Liability	
	<p>The above is understated by Rs.2.29 crore due to non-inclusion of tender discount payable to the user agency by the company. As per Paragraph B (4) of 'Guidelines for Management of projects and regulation of payments for works executed through OSPHC' issued by the concerned Administrative Department (Home Department) vide letter No. 28847/ M&D dated 6 August 2013, the company was to treat the tender discount as saving of user agencies in respect of projects entrusted during and subsequent to 2013-14. This instruction was issued based on Resolution dated 6 September 2012 on 'Working procedure for execution of works under different construction corporations of the State' issued by the Works Department after concurrence by Finance Department and was to be complied with by the Company as well as concerned user agencies. Said instruction of Administrative Department also required proper monitoring of payments payable or receivables for accrual accounting purpose. The company was to refund Rs.2.29 crore to the user agencies or show the tender discount as saving of concerned user agencies. This liability is contingent upon completion of the projects by the contractors within the award value. However, this has not been disclosed. Thus, contingent liability is deficient to that extent.</p>	<p>During the year from 2013-14 to 2015-16, the net of e-tender is premium of Rs.10.59 crore receivable from the user depts. Since it is not a contingent liability there is no requirement of the new Companies Act, 2013 for any disclosure.</p>

Comments of the Comptroller and Auditor General of India under section 143(6) (b) of the companies Act, 2013 on the Financial Statements of Odisha State Police Housing & Welfare Corporation Limited for the year ended 31 March 2016.

The preparation of financial statements of Odisha State Police Housing & Welfare Corporation Limited for the year ended 31 March 2016 in accordance with financial reporting framework prescribed under the Companies Act, 2013 is the responsibility of the management of the Company. The statutory auditors appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act, is responsible for expressing opinion on the financial statements under Section 143 of the Act, based on independent audit in accordance with the Standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 12th September 2016.

I, on behalf of the Comptroller and Auditor General of India have conducted a supplementary audit under Section 143(6) (a) of the Act of the financial statements of Odisha State Police Housing & Welfare Corporation Limited for the year ended 31 March 2016. This supplementary audit has been carried out independently without access to the working paper of the Statutory Auditors and is limited primarily to inquiries of the Statutory Auditors and company personnel and a selective examination of some of the accounting records. Based on my supplementary audit, I would like to highlight the following significant matter under section 143(6) (b) of the Act, which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related Audit Report:

A. Comments on profitability Statement of Profit and Loss

(i) Expenditure

Cost of Material & Labour: Rs.260.55 crore (Note 13)

- (a) The above did not include Rs.5.77 crore being the expected loss as on 31st March 2016 on 92 ongoing projects, where the total estimated contract cost exceeded total contract revenue. The excess of contract cost over total contract revenue should have been recognized as expenses immediately as per provisions of Paragraph 35 of AS-7. This resulted in understatement of expenditure and overstatement of Profit for the year by Rs. 5.77 crore.

B. Comments on Financial Position BALANCE SHEET

(i) Current Liabilities

Short Term Provisions :Rs. 15.54 crore (Note-6)

- (a) The above is understated by Rs. 1.39 crore due to non-accounting of cost of electrical goods received during 2015-16 for which bills were received during 2015-16 and payment was made during April 2016 and May 2016. This resulted in understatement of Current Assets-Works-in-progress by equal amount. Besides, expenditure for the year was understated by Rs.1.39 crore with corresponding overstatement of profit for the year to the same extent.
- (b) The above did not include Rs.2.03 crore being the value of work done by job contractors and cost of materials supplied and utilized in the works up to March 2016, which were duly measured, check measured, bills received and passed by Competent Authorities (Joint Managers), but were not paid due to want of funds.

This resulted in understatement of short term provision by Rs. 2.03 crore with corresponding understatement of Current Assets-Works-in-progress to the same extent. Besides, expenditure was also understated by Rs.2.03 crore with corresponding overstatement of profit by Rs. 2.03 crore.

- (c) The above did not include Rs.1.91 crore being the cost of projects executed on fourteen Nabakalebar Projects, at the instruction of the user agency to execute the works in view of urgency, pending administrative approval and release of funds. The projects were completed and handed over during 2015-16, but bills thereof were not paid due to want of funds. However, liability provision was not made in the accounts. This resulted in understatement of Short Term Provision by Rs.1.91 crore with corresponding understatement of Current Assets-Trade receivable. Consequently, expenditure was understated by Rs.2.10 crore and profit for the year was overstated by Rs.2.10 crore.

(II) Other current liabilities: Rs.1375.08 (Note 6)

- (a) This was understated by Rs. 0.43 crore due to non-inclusion of remaining escalation charges of Rs.0.49 crore payable to a contractor on account of 'out of court settlement' (January 2016). This also resulted in overstatement of profit for the year by Rs.0.43 crore.

(III) Current Assets

- (a) Trade Receivables : Rs.5.16 crore (Note-10)

The above did not include Rs.0.17 crore being the short receipt of fund from NRHM on different projects executed and handed over by the company. This resulted in understatement of Trade Receivables by Rs.0.17 crore and understatement of Liability-reserve and surplus by Rs. 0.17 crore.

**(C) Comment on Disclosure
Notes to the Financial Statements**

Note 17.6 : Revenue recognition

- (i) Revenue on ongoing projects though recognized on 'Proportionate completion basis' as required under AS-7, but the same did not depict a correct picture as:
- Project wise expenditure did not show correct picture due to non-accounting of Material Transfer Notes worth (Rs. 3.28 crore) pending with the company as on 31 March 2016. Thus calculation of contract revenue of ongoing projects on percentage of completion basis was deficient to that extent;
 - Contractors' profit of 7.5 per cent was not deducted from administratively approved cost for projects taken up after October 2013 for projects executed departmentally by the Company, though the same was required as per the instructions (October 2013) of the Administrative Department (Home);
 - Claims for tender premium was not raised with user agencies though same was to be paid by user agencies as per the Resolution (September 2012) of Government applicable to all construction companies of the State. Besides, instruction (6 August 2013) of Home Department clarified that such tender premium was to be treated as a committed liability user departments;
 - The fact that the Company is entitled to 10 per cent supervision charges as per MoU signed by the Company with Home Department each year (latest on 10 June 2015) was not disclosed and saving in excess of supervision charges were also treated by the Company as its revenue. This has not been disclosed. During 2015-16, in respect of 544 out of 710 handed over projects, the Company treated the saving of Rs.10.35 crore (Rs. 22.60 crore in excess of 10 per cent supervision charges less Rs. 12.25 crore towards provision for expenditure) as its revenue.

The Notes on accounts is deficient to the above extent.

(D) Other Comments

Note-17.23-Contingent Liability

The above is understated by Rs.2.29 crore due to non-inclusion of tender discount payable to the user agency by the company. As per Paragraph B (4) of 'Guidelines for Management of projects and regulation of payments for works executed through OSPHC' issued by the concerned Administrative Department (Home Department) vide letter No. 28847/ M&D dated 6 August 2013, the company was to treat the tender discount as saving of user agencies in respect of projects entrusted during and subsequent to 2013-14. This instruction was issued based on Resolution dated 6 September 2012 on 'Working procedure for execution of works under different construction corporations of the State' issued by the Works Department after concurrence by Finance Department and was to be complied with by the Company as well as concerned user agencies. Said instruction of Administrative Department also required proper monitoring of payments payable or receivables for accrual accounting purpose. The company was to refund Rs.2.29 crore to the user agencies or show the tender discount as saving of concerned user agencies. This liability is contingent upon completion of the projects by the contractors within the award value. However, this has not been disclosed. Thus, contingent liability is deficient to that extent.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ODISHA STATE POLICE HOUSING & WELFARE CORPORATION LIMITED ("the Company") as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
