No. 12326 /OPHWC

Dated 24 09.2016

To

All Jt. Managers,
OSPH&WC,

Sub: **Tender for procurement of PH materials.**

Ref: This office letter No. 6831/OPHWC dt. 13.06.2016.

While reviewing the works of Cuttack Division on 23.09.2016, it is observed that till today the materials required for PH works in buildings are being ordered by the Jt. Manager basing on letter No. 156/OPHWC dt. 04.01.2013 of Head Office although specific instruction has been issued vide letter under reference and as per discussion in the Jt. Managers' Conference to go for such procurement by Divisional tendering by observing the required tender formalities. It is also ascertained that the same old practice is still being adopted in all other Divisions also.

The said practice should be stopped forthwith and instruction given in the letter under reference should be implemented forthwith and tender be invited by observing the required formalities. However, materials for which EPM rates are available, the same materials may be procured directly from the EPM holder and while finalizing the tender at Division level, care must be taken to compare the available rate of such materials as available in CSR. Besides, for reference and judicious decision for finalization of rate, the rate being adopted for such items in the nearby RWSS/PH/GPHD Division may be obtained and taken into consideration

This instruction will come into force with immediate effect.

Memo No. 12327 /OPHWC
